

## **Fun in the Sun Morfa Community Fun Day**

Saturday 6th August saw the birth of the Morfa Community Fun day. The early morning signs of rain didn't dampen spirits as volunteers and staff began work to set up what was to be a Fun Day to remember.

Morfa Twinkle Dance School opened the event with a series of fabulous routines. Outside fun included Carmarthenshire Youth Service Climbing Wall, Inflatable fun slides and Bucking Bronco, Communities First Kiddies Corner, Face Painting with Morfa Family Centre, displays by Foothold Community Specialists & Morfa Senior Citizens Bric a Brac Stall.

Inside the Youth Centre, teas and coffee were sold by the Health & Wellbeing Working Group. There was also a well received appearance from the Dog Handling Section of Dyfed Powys Police, a hello from the Fire Brigade, demonstrations from Tai Kwan Do School and memorabilia from the Air Wales Ambulance.

The day itself was arranged by Communities First Glanymor, Foothold Community Specialists, and Carmarthenshire Youth Services.

The organisers would like to say a BIG Thank you to all involved in the day, with special thanks to Morfa Youth Forum, for all their hard work leading up to the event.
